

International Association of Firefighters **L2713 Hanson**

Our family helping your family, day in and out

Hanson Firefighters Local 2713 are committed to providing the town with exceptional service, as well as giving back to our community. We are currently in the process of raising funds in order to continue contributing to the town the same way we have in years past. This is nothing new, however, what is new is the way in which we raise the funds. In the past, we enlisted a company to place calls to the citizens of Hanson; unfortunately, some of the money raised was used to pay that company, so this year we are writing to you directly.

Hanson Firefighters are working hard to achieve our fundraising goals and with contributions like yours, we have been able to provide:

- Sponsorships to youth sports teams
- Donations for sporting competitions and equipment replacement
- Scholarships to high school seniors attending college
- Aid sick and injured firefighters caused by on-the-job injuries both in our immediate community and around the commonwealth

We are asking once again for your generosity with our annual fundraiser and are seeking monetary donations. Any sized donation is appreciated to help us achieve our goal for this year's fundraiser.
